Mr. **Ex. 6 Personal Privacy (PP)**

Thank you for expressing your concern about the EPA's public comment period for the EPA's proposed actions at the Dewey-Burdock uranium recovery site.

The EPA extended the end of the public comment period from the original deadline of October 10, 2019 to December 9, 2019.

Here is the link to the Docket where you may submit comments and the new deadline for providing comments is shown:

Dear Mr. Robinson:

I'm e-mailing you, addressing Docket Number EPA-R08-OW-2019-0512, and asking for an additional 90 days to comment on the proposal to allow mining companies to inject waste-water into the aquifer under-ground water-supply in South Dakota.

I understand that many American Indians in that area depend on this aquifer for their under-ground water-supply.

Sincerely, **Ex. 6 Personal Privacy (PP)**, concerned citizen, Phoenix
